Re: Illinois Valley Yacht & Canoe Club announces Trial Membership

The Illinois Valley Yacht Club has announced that the club is offering a one time only three to six month trial membership. Initiation fee of \$1,250 is waived and the member may convert to a full membership at the end of the trial period. The club offers Junior, Associate and Senior memberships.

The Illinois Valley Yacht and Canoe (IVY) Club is a beautiful, historic facility located on the Illinois River and is a not-for-profit organization founded in 1907. In addition to bar and restaurant facilities, the club offers swim team with professional coaching, youth and adult sailing classes, yoga, water aerobics, kids activities, sailing, club theme events, and sailing regattas. You do not have to own a boat to be a member of the IVY Club.
